

Paul Hubbard Memorial Tennis Scholarship

Paul Michael Hubbard, one of Lane County’s finest professional tennis players and coaches, passed away in a car accident on Jan 3, 2003 at the age of 31. “Pablo” spent his early years in Eugene, where he was a standout tennis player for South Eugene High, helping the Axemen win two District and State Titles in 1986 and 1987. Paul won the prestigious Ojai Singles 1991 Championships in Southern California on his way to joining the Pro Tour. Paul was subsequently forced to leave the ProTour, as the result of a career ending foot injury in 1992 and returned to Eugene where he coached numerous junior and adult players. Paul competed on the Pacific Northwest men’s circuit winning the Oregon State Doubles Championship twice... in 1990 with fellow Axemen Anthony Roy and again in 1993 with longtime friend and junior doubles partner Will Forsyth.

We celebrate and honor Paul’s passion for sports, friends, and life through the *Paul Hubbard Memorial Tennis Scholarship*. The scholarship will be awarded through the Emerald Empire Tennis Association. The *Paul Hubbard Memorial Tennis Tournament*, which is held each January, will provide financial assistance for deserving junior tennis players in the community, who exemplify the grit, work ethic, determination, and positive attitude that Paul demonstrated throughout his life, both on and off the court.
